

RECREATIONAL PILOT TRAINING COURSE

1

Name _____

Date of Enrollment _____

Training will consist of a minimum of

1) Ground School

40 hrs group classroom instruction on the following subjects:

- Air Regulations
- Aerodynamics and Theory of Flight
- Meteorology
- Airframes, Engines and Systems
- Flight Instruments
- Radio and Electronic Theory
- Navigation
- Flight Operations
- Licencing Requirements
- Human Factors, including pilot decision-making

Note: *Ground School is optional but recommended for recreational pilot training*

2) Flight Training

15 hrs dual (including 2 hrs cross -country)

5 hrs solo

Total 25 hrs minimum

3) Ground Briefings

5 hrs One - on - one teacher and student discussions before or after a flight

SAFTY PRECAUTIONS to be strictly observed by students while on course.

1) Weather Minimum

Minimum temperature for flight operations will be - 25 °C

Dual - 1000 ft - 3 miles

Solo - 1000 ft - 3 miles in circuit

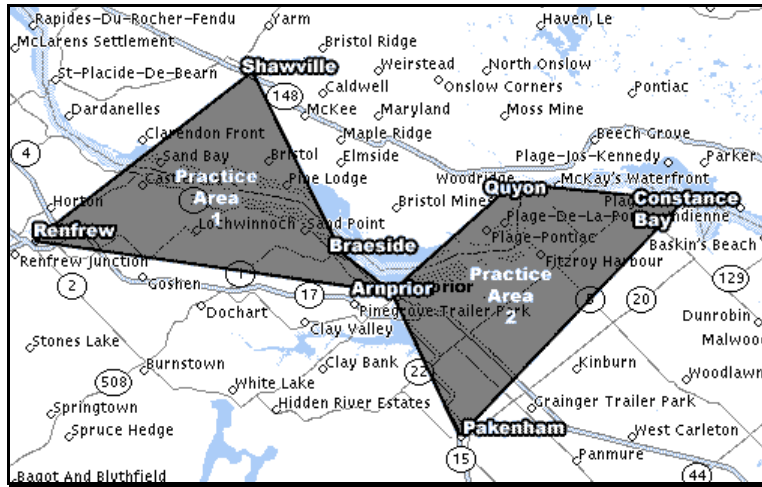

2) Fuel Reserves

Local Flying - fuel up under half tanks or if flight is to be planned two hrs or more (Weight and Balance considered)

Cross Country - must have maximum fuel with consideration to Weight and Balance and plan to have 1 hr fuel left at the end of flight (MOT requires 45 min)

3) Practice Areas

We have 2 practice areas as shown below. Student solo must be within these areas if not a cross - country.

4) Cross Country

Require 2 hrs cross-country time with cross-country flight with 2 legs of not less than 30 minutes each.

5) Reporting Aircraft Defects and Unserviceabilities

Should anything on the aircraft appear not to function properly or, for any reason, you believe the aircraft not to be operating or performing properly, it must be reported to the instructor on duty.

6) After Flying

Aircraft are to be returned to there tie-downs and properly secured unless otherwise instructed.

7) Procedure in Event of Forced Landing

- i) *Do not attempt to take off again even if on a good surface and aircraft appears to be serviceable.*
- ii) *Report landing immediately to Chapman Aviation.*
- iii) *If you or passenger have injuries, contact police and ambulance.*
